# VIDEOCONFERENCE USB

zoom

Certified

USB Plug & Play  
Large interoperability  
Fit every conference room size  
3 + 2 year warranty

## Cam340+

Huddle room conference camera

4K Camera USB3.0  
120° ultra-wide FOV  
SmartFrame: automatic FOV adjustment to fit all participants  
Micro embedded  
BLC and 2D noise reduction

reddot design award  
winner 2019

## Cam540

4K camera for middle size conference rooms  
4K PTZ camera, 16X zoom with 10 camera presets  
RS232 integration capabilities

## Cam520 PRO

Camera for large meeting rooms  
18X total zoom (12X optical zoom with PTZ)  
SmartFrame: automatic FOV adjustment to fit all participants  
IP based management and streaming  
RS232 integration capabilities  
**Cam520 Pro "Advanced" version : HDMI output, PoE**

## VB342+

Video soundbar with 4K camera

Motorized 4K camera (PTZ), 4X zoom  
120° FOV  
Stereo full range speakers  
Microphones supporting 6m pickup  
HDMI output, RS232 integration capabilities, Bluetooth & voice tracking

HDMI

## VC520 PRO

Enterprise grade audio video device for mid to large conference rooms  
18X total zoom (12X optical zoom with PTZ)  
SmartFrame: automatic FOV adjustment to fit all participants  
Full-duplex speakerphone  
IP based management and streaming  
RS232 integration capabilities

# PROFESSIONAL AUTO TRACKING & LIVE STREAMING PTZ CAMERAS

Ideal for capturing / streaming without AV technician  
 Smoothest video in 60fps, multi-stream capability  
 Full HD high quality resolutions  
 Highly versatile camera motion control  
 RS232, RS422, IP camera control interface  
 3-year warranty

## PTZ310

### PTZ Camera

Full HD1080p, 12X optical zoom  
 HDMI, USB, IP, 3G-SDI simultaneous outputs; audio Line in  
**SmartFrame:** automatic FOV adjustment to fit all participants  
**SmartShoot:** automatic content capturing between preset areas

## PTZ330

### PTZ camera for large auditoriums

Full HD1080p, 30X optical zoom  
 HDMI, USB, IP, 3G-SDI simultaneous outputs; audio Line in  
**SmartFrame:** automatic FOV adjustment to fit all participants  
**SmartShoot:** automatic content capturing between preset areas

## PTC500S

### Auto tracking PTZ camera

Full HD1080p camera, 30X optical zoom  
 Secondary 120° FOV panoramic camera  
 HDMI, IP, 3G-SDI, USB simultaneous outputs (via converter)  
 Audio Line in  
 3 Tracking modes

## CL01

### PTZ camera controller

Pan/Tilt/Zoom speed control

Operate 7 cameras

VISCA Pelco-D Pelco-P

RS-232  
 RS-422  
 RS-485  
 IP

# CODECS VIDEOCONFERENCE OVER IP

- H.323 / SIP protocols
- Full HD 1080p PTZ camera
- Content sharing
- Dual screen
- Conference recording
- Cloud solutions support
- RS232 control
- 3 + 2 year warranty

## EVC130 & EVC150

### Endpoint systems

EVC130 - 4X digital zoom, 88° FOV (small rooms)  
EVC150 - 12X optical zoom, 82° FOV (medium and large rooms)  
Simultaneous display: 1 HDMI & 1 VGA outputs  
Content sharing : 1 VGA input

## EVC170

### Endpoint system

12X optical zoom + 1.5X digital zoom (total 18X)  
Simultaneous display: 2 HDMI & 1 VGA outputs  
Content sharing : 1 HDMI & 1 VGA input  
**SmartFrame**: automatic FOV adjustment to fit all participants  
Built-in meeting Server  
WebRTC option

## EVC350

### Multipoint system

12X optical zoom + 1.5X digital zoom (total 18X)  
Simultaneous display: 2 HDMI & 1 VGA outputs  
Content sharing : 1 HDMI & 1 VGA input  
**Multipoints 4 sites MCU**, upgradable to 6, 8 or 10  
Built-in meeting Server

## SVC100

### Upgradable endpoint system and advanced features

12X optical zoom + 1.5X digital zoom (total 18X)  
Display: 2 HDMI outputs  
Content sharing : 1 HDMI & 1 VGA input (simultaneous display)  
Dual camera input (simultaneous display)  
RTMP streaming  
Built-in 32GB Recording storage capacity  
WebRTC option

# ZOOM INTERACTIVE FLAT PANEL

## EP65

All-In-One interactive flat panel with

**zoom**rooms

Introducing the EP65, an all-in-one display for business, designed to make collaboration more efficient and effective. Integrated with Zoom software the integrated flat panel allows for out of the box annotations with 20 points of touch and multiple users. With nothing additional to install, the EP65 allows you to easily connect to live video with one touch and share ideas face to face across multiple devices.

**4K** CMOS sensor

**65"** diagonal size

**20**  
Points touch

**13-**element  
microphone array

ZoomRoom preloaded  
Sony Exmor™ 4K CMOS sensor  
Built-in speakers  
13-element microphone array  
CPU Intel® Core™ i7-7700  
65" HD - 16:9 - 20 points touch  
3-year warranty

Contact AVer Europe office for more details

### Easy set up and seamless integration

Installation is a breeze with the EP65 all-in-one flat panel solution for business. It's just like mounting a flat panel television to a cart or on a wall with a single power cable.

Designed to make collaboration more efficient and effective, the EP65 is integrated with Zoom software and features a high powered Windows IoT pluggable PC module for ease of management and minimal maintenance.

### Cloud based, sync anywhere

Enjoy cloud based video conferencing with one-touch cloud recording, whiteboard sharing and digital signage. Everything can be synchronized across multiple tablets, laptops and the web to make collaboration a breeze.

### Super sharp video and crisp audio

Share ideas face to face using live video with the embedded super sharp 4K conference camera featuring a built in far field mic array for crisp video and superb audio.

# COLLABORATION BOX

## CB-310

The most advanced Android box bridging the present to the future

The AVer CB-310 is a stand-alone Android™ module for instantly converting any classroom into an interactive environment: fully compatible with your existing equipment, this unique digital bridge will transform TVs, IWBs, monitors and projectors into powerful student engagement tools.

Transform one-way teaching into collaborative and interactive education with the CB-310's versatile built-in applications, and download all your favorite educational apps.

The CB-310 is a true budget-saver, turning traditional classrooms into modern collaboration centers at a fraction of cost while providing standard functionalities embedded in smart panels.

### Cross-platform wireless mirroring

Easily cast Windows®, Android™ or Apple™ devices without any additional application required.

### Customize and secure user interface

Personal home screen and favorite apps  
Digital bulletin board, class schedule.  
Secured log in, application screen lock.  
Device and user settings management.

Amy Tom Dori

### Split screen multitasking

Cast students' content  
Make side-by-side comparisons  
Enhance group collaboration

### Powerful hub of the classroom

- Instant switch between different OS / sources
- Built-in apps and Playstore platform access
- IT and AV devices seamless integration
- Multiple wireless protocols
- Android hotspot up to 10 users
- Output resolution up to 4K

### AVer display management

- Device control
- Device & user settings
- Schedule set up
- Broadcast planning
- Firmware update

# CHARGING SOLUTIONS FOR TABLETS, LAPTOPS, CHROMEBOOKS

- Storage and charging capacity up to 36 devices
- Advanced intelligent charging technology
- Easy and accessible cable management
- Compact design with small footprint
- Solid steel construction, 10-year warranty\*

\* 10 years mechanical parts, 5 years electrical components

Mount it  
Store it  
Stack it

## X12

12 tablets & laptops (15" max)

Adjustable and removable slot dividers  
Dual lock cable clips on device dividers  
2-point mechanism with built-in key lock

### Standard features

2-point mechanism with built-in key lock  
Individual cabling management  
Smart cycle charging

## E24c

24 tablets & laptops (14" max)

## E32c

32 tablets & laptops (14" max)

Adjustable and removable slot dividers  
Individual cabling management  
Dual lock cable clips

## C36i+

36 tablets & laptops (15" max)

Slide-out shelves for quick and easy access  
Built-in key lock and padlock staple combo  
Locking doors with 3-point mechanism  
Security hook

Intelligent charging system :  
Determines the best charge sequence to route power automatically to critical devices

## C20i

20 tablets & laptops (16" max)

Sleek and compact design, easy maneuver  
3-point mechanism with padlock hole  
Security hook

Charging status via LED indicator  
External power outlets

# DOCUMENT CAMERAS USB, HDMI & WIRELESS

Up to 13-megapixel camera sensor, 4K output resolution, 230X zoom max

Multiple connectivity options to fit every teacher's needs

One-touch recording, smoothest video quality in 60fps

Create, upload and share lesson plan materials

Microphone and LED light embedded

Advanced software included

## U50

5 Megapixels, 8X zoom

Live video up to 30fps frame rate  
Full HD output resolution

**Standard features**  
A3 landscape shooting area  
USB powered via laptop  
High resolution display

## U70+

13 Megapixels, 16X zoom

Live video up to 60fps frame rate  
Output resolution up to 4K  
USB 3.0 port

## F17-8M

8 Megapixels, 27X zoom

Live video up to 30fps frame rate  
A3 shooting area

**Standard features**  
Full HD output resolution  
VGA & HDMI input / output  
Internal storage + SD slot

## F50-8M

8 Megapixels, 200X zoom

Live video up to 60fps frame rate  
One-touch A/V recording  
10X optical zoom

## M17-13M

13 Megapixels, 35X zoom

Live video up to 60fps frame rate  
One-touch A/V recording  
Internal/external storage

**Standard features**  
Dual-band Wi-Fi, rechargeable battery  
4K output resolution, 60fps frame rate  
Miracast support

## M15W

13 Megapixels, 23X zoom

## M70W

13 Megapixels, 230X zoom

10X optical zoom

## Classroom software A+ Suite

Seamless collaboration

Intuitive software for lesson creation, delivery and recording to support 1-1, flipped, blended and traditional curriculum.
